VINYL WINDOW FACTORY TUCKER, GEORGIA

900 Series

Custom Single-Hung Vinyl Windows Built for New Construction and Replacement

Single-Hung windows offer the perfect balance of style, budget, and modern technology. Featuring a stationary upper pane and a bottom sash that slides up and down for easy cleaning. The 900 Series Single Hung features a brickmold exterior detail and low-profile sashes, creating an attractive appearance. Made of high-quality vinyl extrusions that resist fading and won't chip or peel, LoE glass, and Duraseal spacers, this window is an exceptional value and low-maintenance by design for both new construction and home renovations. The 900 Series is a perfect fit for any project and is backed by a Limited Lifetime Warranty.

CARDINAL
Glass Industries

Every 900 Series window uses Cardinal Low-E glass and the Duraseal warm edge spacer system. Together they reduce heat transfer and help keep the seal tight for the life of the window.
